

Understand Health First Colorado

What is Health Insurance?

Health Insurance is a plan that pays for provider services, medications, hospital care, and special equipment when you or a member of your household are sick. Many preventive services are included such as wellness visits, shots and screenings so it is also something to use when you are well.

What is Health First Colorado ?

Health First Colorado is **Colorado’s Medicaid Program** — public health insurance available at low or no cost to those who qualify. Every member of Health First Colorado has a **primary care provider** and belongs to a **regional organization** that helps you connect with health care services.

What Are My Next Steps After Enrolling?

Once enrolled, you will receive membership information in the mail. You may also visit www.HealthFirstColorado.com to find the Health First Colorado **Member Handbook**.
